Sub Ann was a successful entrepreneur in Arizona who's decided to expand her horizons by posing for pictures. "I got started by doing bou-doir pictures for my husband and liked it a lot. It made him horny and we had some of our hottest sex after he saw them," she says. Now she graces our pages and sizzles by the pool with a young stud.

NASTY HOUSEWIVES PRESENTS

Kayla

A photograph of a person's arm and hand resting on a light-colored wooden desk. The person has a large, detailed tattoo on their upper arm depicting a woman's face and upper body. They are wearing a black long-sleeved shirt. The background is a plain, light-colored wall. The person's hand is resting flat on the desk surface, with their fingers slightly spread. The desk is made of wood with a visible grain. The person's arm is extended from the left side of the frame towards the right.

Kayla admits: "I love sex and I like being in control of it. All kinds of it, and in this business I can have it anytime I want with anyone I like. But I admit, I'm a bit selfish when it comes to cocks. In threesomes, I want both cocks all the time!"

Kayla slurps and fucks Donny's huge cock and then John's. "I love the sensation of large cocks inside me. Feeling them fill my pussy and my mouth."

Desi says she sees his black cock as a large licorice licking stick and can't wait to get her mouth around it. Her favorite ending is to have all that hot, hot jizz spurt onto her face. She'll then rub it into her skin because she says it keeps her skin looking young and firm. Just like the guy it came out of!

Winter tryst

I've kept this to myself for a couple years. I was so embarrassed, yet excited that it happened, but could never tell my wife, or anyone else. Now that we're separated and I'm retired, I can tell the whole world.

I was in Chicago at a major downtown hotel in the middle of the winter and I was cold and lonely. I was sitting at the hotel bar about ten at night winding down from another unsuccessful sales day. A few seats down was a lady about my age doing the same. She was sipping some type of high-ball drink and trying to engage the barkeep in dialog. A half hour later a group of about six people come trying to get out of the cold and they come up to the bar. I gave up my set so they could all sit together and ended up sitting on the other side of her.

I politely introduced myself and she said her name was Ava. We talked about the weather and the town - she said she was from Rockford - She was there for her son's wedding the next day. She was not happy about who he was marrying, but supported him anyway. That's what mom's do. Her husband died a few years ago and she

Dear 50+:

There are times in your life that you just have to kick back and smell the roses, or in this case, Vanessa. I got so excited to see her again, and in a really great pictorial. I like that she's a business woman and gets fucked in her office. It makes the sex really more of a fantasy than to see her in a bed or on a sofa like so many other pictorials.

I guess I like a lady who is in charge, but yet knows when and how to submit. It makes her much more accessible as a fuck buddy and straddles the line between fantasy and reality. The typically submissive woman or the dominant fantasy. In her, you get them both. Go Vanessa!

— Stephen B.

was still lamenting it. We exchanged sob stories and about one in the morning we decided we had enough. We headed off to the elevators and on the way I put my hand on her shoulders and rubbed them consoling her. In the elevator she moved close to me and nuzzled into my chest. I put my arms around her and held her for the thirty floors to her room.

We reached her floor and the elevator doors opened. She looked at me and took my hand pulling me with her. I followed and we went to her room. I sat on the edge of the bed as she dropped her purse and took off her shoes. She asked if I wanted a drink and I said I didn't. She made some small talk thanking me for being a good ear. I mumbled something and she kissed me smack on my lips. I was a little taken aback but soon melted into her strong scent and moist lips.

Soon she was tugging at my ties and shirt, pulling them off me. Then she stood up in front of me and disrobed inches from my face, her clothes falling on the floor at her feet. She pulled me up and undid my belt and pants, pulling them down and off. Now we're both naked in the dim light and she

pulls me into the bed as she crawled on top of the covers. We hugged and meshed our bodies together. Her hands searching for my cock and finding it. I lower myself and start kissing her on the lips and work my way down to her chest.

We rolled around on the bed for a couple hours, engaging in all sorts of positions with many squeals and groans. I grabbed Ava's hips and then with a thrust, slammed my dick deep into her vagina. We both came to a complete stop with her big ass resting on my pelvis, and then moaned loud while my dick shot gushes of sperm out into her, and each shot filled the depths of her vagina up. She also came, and her discharge began covering my dick inside her. This felt so damn good. Ava rose up, and my dick slowly pulled out from her along with a stream of cum that was attached from her pussy to the tip of my dick.

We hugged after the bliss and woke in the morning light, kissed each other goodbye and I headed for the door and my next appointment. I'm glad to get this out of my system, so please don't judge me.

— Edward, Peoria

The ladder

I'm the director of a small live theater and I always had plenty of stuff going on. Last Friday night I was working on a ladder trying to get some lights changed and hanging posters for the new show that was premiering Saturday night. I was looking forward to sitting down and actually watching the show.

However, now I couldn't think about that. I had to get these damn lights hung so that I could get down off this big ladder. My boyfriend had been waiting patiently for me to finish so we could go home and get naked. I'd been so busy this last week that we hadn't had sex in a week, and Lance was letting me know about it. I had been getting grouchy about the lack of sex, too.

Lance was below me steady-ing the ladder. But his voice told me to hurry. There was a promise in his words, and I hurried through the final lights. Finally, I finished and started down the long ladder. Five, ten, fifteen, twenty steps, and then his voice came from right below my feet telling me to slow down. I twisted around to look at the lower steps and found that Lance had twisted his

body into the ladder. His butt rested on a step, and he leaned back against two more, his arms woven through the sides of the ladder holding on. I could either jump down now or climb over him. I started to carefully climb down.

I smell his manly scent as I slid against him, and felt his hardness pressing against his pants. I lingered there, my feet on the floor now and I pressed into him. I leaned back, looking at him, and pulled some heavy cord from my pocket and told him to hold still. I tied his hands and arms and legs to the ladder, and he didn't resist but he did look a bit bewildered.

I started taking off my clothes. First I slowly unlaced my sneakers work boots and pulled them off, then my socks. I unbuckled the safety belt and laid it down gen-

tly. Then my overalls came off. Then my t-shirt under which I never wore a bra. All I wore now was a tiny pair of white cotton panties and I pulled those off, too. Lance tried to say something but I wouldn't let him. Nor did I respond, except by stepping

closer and unbuttoning his shirt. I pulled it open to either side, so that it was hanging off his bound arms and his chest was bare. "Yum," I said quietly, as I ran my hands down his chest. Then I unbuckled his belt, undid his pants, and pushed them down just enough to free his already hard cock.

Feeling bold and frisky, I began climbing the ladder again, pausing for a deep kiss before she continued upward, sliding my naked body against his hardness and bare skin. I stopped when my feet were at the level of his head.

Lance started licking my toes with more energy than he'd ever done before. I clung to the hard wood of the ladder, trembling as he sucked first one toe, then another. An ex-lover had once told me that having a toe properly sucked was the closest a woman could get to knowing what a blowjob really felt like. I didn't know how true that was, but I was certainly enjoying it. When Lance had done all ten toes and the insteps of my feet, I took pity on him and slid down a

so beautifully. Now my pelvis was rocking against his lower chest, wetting it with my liquids that flowed so freely now. His hands clenched on the wood of the ladder, as if he would dig into it if he could. It was only when my feet slid to the last rung and my dripping pussy settled over his cock.

I lifted my legs and wrapped them around his. I wrapped my arms around him, too, and began moving against him, loving the thrust of

step or two or three until my pussy was nestled close to his face.

Lance dove straight for my pussy and licked for several minutes until I finally whispered, "Please..." His tongue found my clit and I shuddered on the ladder as the waves of pleasure ran through me. Only a few more tongue strokes and I was cumming, clinging hard to the ladder and crushing his head between my thighs. Then I lowered myself a little more still. Now my breasts were in the right spot and he began licking and sucking and nibbling on my hard nipples that jutted out

him inside me, the warm, hard fullness of it. We found that if he braced his legs against the wood he could thrust effectively, and so we made love in the dimness, my sweaty wet body writhing against his, and the ladder gently moving backwards until it was stopped by a wall. Lance moved in and out of me steadily until he felt my muscles clenching around him once more and a long scream rose out of me. It was only then that he let himself go, slamming wildly into me until he came.

I hung exhausted on him for some time, then slowly started undoing the ropes. I

asked if he was ready to go home but he said 'No' as he untangled himself from the ladder. He turned me so that I lay against the wooden frame this time. Lance gently hooked my arms through the ladder and began tying me down to it. I mildly protested but he ignored it, and I'm glad he did.

—Michelle, Nebraska

Reminiscing

Hey there, my name is Alex and I've probably had one of the most best sex lives ever. It began in college and by the time I graduated I had bedded more than 60 coeds. But my first real girlfriend was Laureen and I being the naïve poor soul I was, I instantly fell in love. I thought about her all the time and tried to spend as much time with her as I possible.

We spent all our time talking about random stuff that we both enjoyed, but did nothing more than occasionally make out, but I wanted more. In time she started easing up. One afternoon she was over at my place and we were making out and started gently rubbing her boobs through her t-shirt. This time she didn't seem to mind my advances, in fact she seemed to be getting excited. I knew to take this opportunity for it may never come again.

I slipped my hand under her t-shirt to her right boob. She offered up no resistance so I started rubbing in circular motion and she moaned into my mouth. I decided to try a step further and take her bra off but she eventually got

frustrated and did it herself. My eyes nearly burst out of their sockets at the site of her lovely boobs so I started rubbing her nipples as we made out some more.

I once again tried sliding my hand into her pants. I started feeling around in there realizing she wouldn't actually let me take off her pants. I could feel some hair around her pussy. After getting a pretty good feel of the outside I then slid my middle finger in but not with much ease because she was only slightly wet. She started moaning after some minutes of me trying to finger fuck her.

We continued making out only with more intensity this time. This time it was she that reached into my pants. But I had to take them off when I spotted an impressed expression on my girlfriend's face. She reached for my cock and wrapped her fingers around it. She didn't waste her time stroking it at a rather fast pace as though to get it over with. "Tell me when you are close okay, I don't want anything on me. You are gonna have to finish yourself off." I blew my load everywhere, especially on my girlfriend. She got up and left. Ahhh, young love.

—Jonny Z, Denver

The other guys waiting their turn!*

aloha

my wife wishes you were here

A RETIREMENT WORTH WAITING FOR

For my retirement, my wife, Adelle and her sister, Sandy, and Sandy's husband, Barney all pitched in and bought a week's timeshare vacation for all of us at a classy resort on Maui. A week of sun and fun and a whole lotta fucking. What better way to start the rest of your life. We finally arrived at the condo just in time for dinner after flying for close to nine hours from Atlanta. We settled in and looked forward to the island's attractions.

I arose early the next day and decided to walk around the grounds for some fresh air. Upon returning, I saw my wife outside the unit sun bathing while Barney was swimming in the pool. I was relieved that for once there was more than five feet between them, but my relief was short-lived when I saw what my wife was wearing. She had on one of her sister's bikinis and it looked like she chose the smallest bikini possible. The top was just a string running around her chest coming together in small triangles that barely covered her nipples.

The bottom was a string around her waist and down her ass crack that came together in the front. It was too low to cover anything. Not that it really mattered, I could see even the areas that were covered by the suit because my wife had been swimming and the swim suit was completely transparent when wet. My sister-in-law went out back also and I was able to watch from the lanai as Sandy slipped into the pool by her husband. Both of her hands slipped under the water,

reaching toward Barney's waist. He pushed Sandy back against the side of the pool, his hands working under the water as much as hers were. Her bikini top had moved aside from the rubbing of their bodies, her now bare nipples rubbing against Barney's chest. Sandy's hands came up out of the water with Barney's swim trunks and her bikini bottoms.

All the noise those two were making got my wife's attention as she sat up and began watching them. Sandy was bouncing up and down, her arms wrapped around her husband's chest, water splashing all over. Sandy's arms were on the side of the pool, her tanned breasts bouncing in time with Barney's thrusts. My wife pulled the top of her bikini aside, and started rubbing her tits and pinching her nipples, moaning in time with her sister. This got Barney's attention and he looked over to watch my wife. She smiled when she noticed Barney was watching her, in response she pushed one of her tits up and sucked her nipple into her mouth.

Sandy had also been watching my wife and Sandy exploded into orgasm seeing her sister do this. She started thrashing back and forth against Barney's body, bouncing in the water. As Sandy's orgasm subsided, Barney

lifted her out of the pool and climbed out next to her. Sandy removed her bikini top as Barney moved across the backyard toward my wife. His huge cock was still hard, hanging in front him and swaying side to side as he walked. My wife saw him com-

ing toward her and got a huge grin on her face, she was eyeing his cock hungrily, and stopped rubbing her tits and pussy as she forgot everything but Barney's huge cock.

As Barney reached Adelle, he kneeled down in front of her, pulling her bikini bottoms off. He then leaned down and started licking her pussy. My wife grabbed a handful of his hair and started rocking her hips on his face. Sandy came over to join them, laying down on her back beneath Barney, she started sucking his cock. They stayed like that for a few minutes, Sandy beneath her husband sucking his cock and fondling his balls, while he sucked and lapped at my wife's pussy. He easily brought my wife to orgasm.

The three of them moved across the backyard toward the table where Barney positioned my wife on the edge of the table, spreading her pussy wide, and then he moved his huge cock into position. Sandy reached down and guided her husband's cock into my wife's pussy as he started to piston in and out causing her to moan. Sandy kneeled down and started sucking on Barney's balls. Barney was standing, holding my wife in the air, bouncing her up and down on his cock. My wife was fervently fucking another man, impaling herself on his large cock, moaning like a whore and letting out strings of curses every time she came. I knew that I'd never be able to pleasure my wife like that, and I knew she'd always want to be. I gave up and walked out front of the condo, trying to escape the scene.

I realized that even out front I could hear my wife in the backyard. The noises she was making floating over the house. I hoped that none of the neighbors were outside, because if they were they'd know what was happening. Slowly I walked around the side of the unit, toward the fence at the back yard, where my wife and I had first happened to see Sandy and Barney fucking by the pool. Sure enough, if I put my face up to the fence I could see through the slats and had a clear view of the backyard. They were all now by the hot tub, my wife was now on all fours

with Barney plowing his huge cock into my wife from behind. Staring through the fence I started to worry that a neighbor might spot me and call the police, so I started back around to the front of the unit. A few feet away from the fence though I stopped. I heard something from the neighbor's yard and worried that I'd been caught. I froze for a moment, trying to make out what I was hearing. Nothing happened so I crept slowly up to the neighbor's fence and leaned in wondering if I could see into the neighbor's yard. I could, and what I saw surprised me.

What I saw in the backyard next door was a guy with his face pressed up against the fence between his yard and ours. He had his cock in his hand, stroking furiously, watching through the fence. I decided I had seen enough and went back inside. Sandy was in the kitchen making dinner and she was still naked. "I saw you peeking through the fence." I was taken aback, the first night here she told my wife and me that none of the neighbors could see into her yard, but obviously she knew that people could. Seeing my reaction she continued, "Of course I know the neighbors can see us, that's half the thrill, putting on a show for them. Adelle agrees with me too." she finished as she took the food outside.

My wife knew? How many of the other neighbors were watching? I started thinking about all the things that had happened that week in a new light. The next night when I came back to the house from work, my wife was in the living room with Barney and her sister. Barney was sitting on the couch, Sandy, wearing another skimpy bikini, was kneeling between his legs licking up and down the length of

*"Okay honey, Sandy and I are done with Barney.
The rest of trip is all about you."*

his hard cock. Meanwhile my wife was wearing only panties and matching garter belt, stockings, and heels. I watched in awe as she wiggled and danced around the living room. Barney was watching my wife strip, mesmerized by her swaying ass and tits, almost oblivious to my sister-in-law sucking on his cock.

Adelle moved closer to Barney, teasing him by just getting in reach but slapping his hands away playfully as he would reach out for her chest or hips. She dangled her large tits in his face, but pulled back before he could get his mouth to them. Sandy was still sucking on his cock, but she had turned herself to be able to watch my wife. One of my sister-in-law's hands was jerking the base of Barney's cock, the other working furiously in and out of her pussy. My wife put one leg up on the couch, then slowly slid her hands down her pale stomach to her panties. Slipping one hand inside she began to rub her fingers back and forth across her clit.

Adelle backed up toward Barney, shaking her ass at him. Sandy had increased the speed she was working on his cock, obviously getting aroused by her sister's striptease. My wife was bent over, inches away from Barney, wiggling her ass in his face. She reached back and hooked one thumb into each side of her panties and began to slowly slide them down. I watched as her panties fell away revealing her pussy and ass. The panties hadn't even reached her knees before Barney leaned forward, burying his face into my wife's ass. He was tonguing my wife's ass, moving up and down between her ass and her pussy as she pushed back against him, they were both moaning steadily, until my wife came on his tongue. My wife pulled her ass away from his face and turned around. She pushed Barney back on the couch and carefully stepped over her sister, getting her heels up on the couch and bringing her exposed pussy down onto Barney's face.

He was furiously working his tongue up into my wife's pussy, rubbing back and forth on her clit. Sandy was still on her knees licking up and down his cock. I could see Barney's tongue splitting my wife's pussy lips, flicking

up and down her pussy lips and them moving back to her clit. I'd been standing in the foyer the whole time, the scene had made my cock painfully hard. My wife looked up from Barney's face buried in her pussy and said, "Hi honey." to me so casually, as if she wasn't sitting on another man's face.

I moved further into the house, found the phone and ordered pizza for dinner that night. Just before the pizzas arrived they finished fucking, Barney burying his cock deep into my wife and filling her with his cum. Barney and my wife went to shower, while my sister-in-law put on a sheer robe and came back to the kitchen. The robe was almost completely see through, and I could clearly see her shaved pussy and tanned tits beneath the robe. When the pizza guy arrived, that's what my sister-in-law answered the door in. I watched, surprised, as she acted completely normal. The pizza guy obviously enjoyed the show, I could see his hard cock straining against his pants. My sister-in-law drew out the whole process, taking the pizzas into the living room, bending over to set them on the coffee table, giving him a clear view of her ass and pussy. She didn't even tip the pizza guy, but he didn't seem to mind given the five minute show he'd just gotten. We ate in the living room, and halfway through dinner I heard my wife say, "Okay darling, Sandy and I are done with Barney. The rest of this trip is all about you." They put their slices down and came over to me, both attaching my zipper, pulling my pants down and..... Ah, retirement.

"I met this man at a convention and we went to his suite for a drink. Then he came over and started kissing me deeply, shoving his tongue as deep into my mouth as he could. I moaned with pleasure as his hands moved down and tore my blouse open and began fondling my breasts, kissing each one and then kissing me some more. Then, he pulled my skirt and panties off in one swift motion and before I knew it he laid me back on the sofa, pulled out his huge cock and pushed it inside of me."

I shouted out loud with pain and then pleasure, and after few deft strokes he got into a rhythm that filled me with ecstasy and I came in five minutes. Such a gentlemen, 'Ladies first,' he said, and so I sucked him and sat on him and stroked him until it was his turn to cum. I don't remember finishing my drink."

"It seems the older I get, the more men want to get into my ass, but there's no way. That's what pussy is for. The ass is a one way street in my book. Now don't get me wrong, I'm no prude, I've tried it once or twice but it's not for me. I want my pussy fucked and fucked right. With a big cock and a man that knows how to use it."

A woman with long blonde hair, wearing a black lace bra and matching high-cut panties, is kneeling on a wooden floor. She is positioned behind a man who is lying on his back on a bed with a patterned sheet. The man's legs are spread wide apart, and the woman is looking at his rear. The background is a plain light blue wall.

"But just because I don't want my ass fucked, I do like it licked, and I like to reciprocate it for the man. They all find it quite stimulating and enjoy it as a part of foreplay. If you haven't tried it in your sex life, then I heartily endorse it for both sexes. Try it in the 69 position. You'll love it!"
